

Add a Lease Listing

Put Your Listing on the Most Heavily Trafficked Commercial Real Estate Website

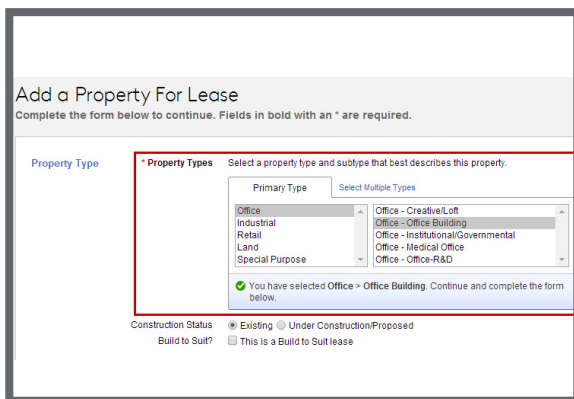

1 Log in to www.LoopNet.com, and click **Add Listing**.

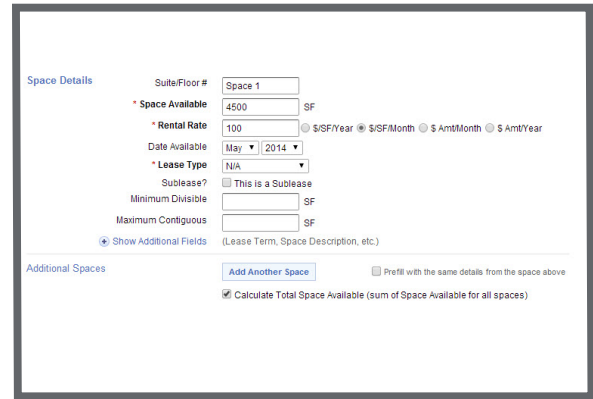

2 Click **Add a lease listing**.

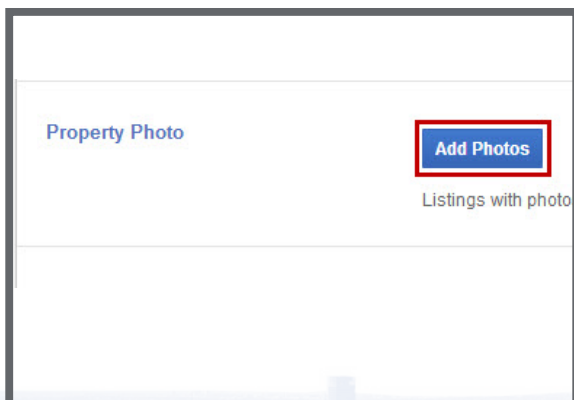

3 Choose **Property Type**. Enter property information. All fields with a red asterisk (*) are required.

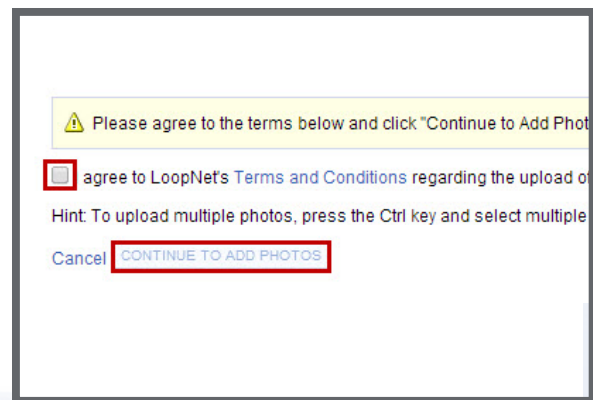

4 Enter **Space Details** and any other additional Space information in the appropriate fields.

5 Click **Add Photo** to upload property photos and maximize your listing's exposure.

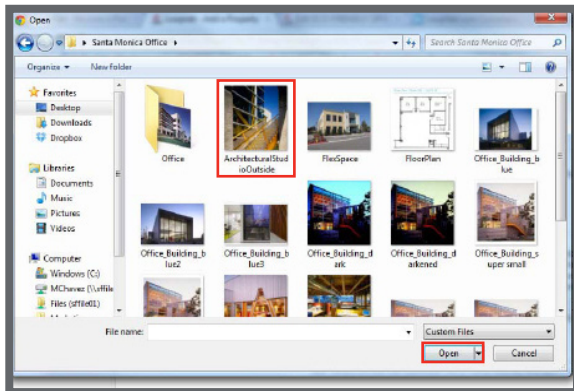

6 Agree to LoopNet's Terms and Conditions. Click **Continue To Add Photo** to proceed.

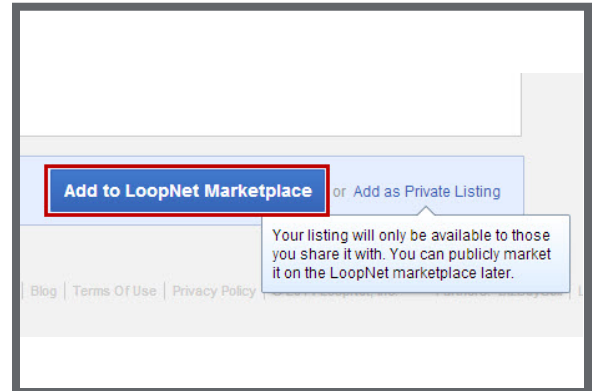

TIP Don't have a property name? Utilize this space to call out a highlight of your property. Otherwise, your property address will be displayed in place of the property name in bold text in search results.

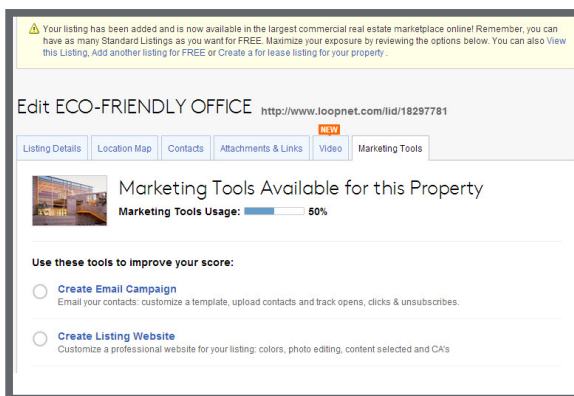

- 7 Add multiple photos by holding down Ctrl on your keyboard as you click the photos you want to add. Click **Open**.

- 8 Click **Add to LoopNet Marketplace** to enter your listing on LoopNet.

- 9 On the **Marketing Tools** tab, you can view the marketing tools available to you.
